Executive Summary

Community Interest & Opinion Survey

Executive Summary Report

Overview of the Methodology

Leisure Vision conducted a Community Interest and Opinion Survey for the City of Clayton during September and October of 2011. The purpose of the survey was to gain input regarding development of a Dog Park in Shaw Park. The survey was designed to obtain statistically valid results from households throughout the City of Clayton. The survey was administered by a combination of mail and phone.

Leisure Vision worked extensively with City of Clayton officials in the development of the survey questionnaire. This work allowed the survey to be tailored to issues of strategic importance to effectively plan the future system.

Leisure Vision mailed surveys to a random sample of 1,500 households throughout the City of Clayton. Approximately three days after the surveys were mailed, each household that received a survey also received an automated voice message encouraging them to complete the survey.

The goal was to obtain a total of at least 300 completed surveys from City of Clayton households. This goal was far exceeded, with a total of 693 surveys having been completed. The results of the random sample of 693 households have a 95% level of confidence with a precision of at least +/-3.7%.

The following pages summarize major survey findings.

Major Survey Findings

- **Visitation of Shaw Park.** Eighty-two percent (82%) of households have visited Shaw Park during the past year.

Of those households that have visited Shaw Park during the past year, 37% have visited at least 25 times in the past year. Nineteen percent (19%) have visited 50 or more times in the past year.

- **Ownership of a Dog.** Forty-six percent of households indicated that they owned a dog. Of this 46%, the majority (78%) owned one dog. Nineteen percent indicated owning two dogs and only 2% indicated owning three or more. The remaining 1% didn't provide a response.

- **Likelihood of Using a Fenced, Off-Leash Dog Park** (asked to those who indicated they had a dog). Sixty-five percent (65%) of households indicated that they would be either very likely (48%) or somewhat likely (17%) to use a fenced, off-leash dog park in Shaw Park. Twenty-four percent indicated "not likely" and 10% indicated "not sure". Only 1% didn't provide an answer.

- **Likelihood of Using the Park Understanding There Would Be an Annual Fee** (asked to those who indicated they had a dog). Fifty percent (50%) of households indicated that they would either be "very likely" (34%) or "somewhat likely" (16%) to use a fenced, off-leash dog park in Shaw Park. Thirty-eight percent (38%) of households indicated it was "not likely" that they would use the park and the remaining 12% indicated "not sure".

- **Likelihood to Pay Annual Membership Fees** (asked to those who indicated they had a dog). The majority of households (49%) indicated that they were not sure if restrictions would make them more or less likely to pay an annual membership fee to use the Dog Park. Twenty-six percent (26%) indicated restrictions would make them less likely to use the Dog Park, while 24% indicated that these restrictions would make them more likely to use the Dog Park.

- **Rental of South Shelter in Shaw Park.** Eighteen percent (18%) of households indicated that they have rented the South Shelter in Shaw Park in the past.

Fifty-nine percent (59%) of households indicated that having a fenced, off-leash Dog Park adjacent to the South Shelter would have no impact on them renting the South Shelter. Thirty-five percent (35%) indicated that it would make them less likely to rent the South Shelter, while 4% said it would make them more likely to rent the shelter. The remaining 2% did not provide a response.

- **Support of Adjustment to the Route to Accommodate the Dog Park.** Forty-eight percent (48%) of households indicated that they would be supportive of some adjustment to the route or shortening of the proposed trail in Shaw Park in order to accommodate the Dog Park. Additionally, 30% of households indicated that they would not be supportive and 22% were not sure.

- **Support for Construction of a Dog Park In Light of Fact of Way of Funding.** Sixty-six percent (66%) of households indicated that they support the construction of a Dog Park in light of the fact that it would be funded with private donations and membership fees. Twenty-three percent (23%) of households indicated that they would not support construction and 10% were “not sure”. The remaining 1% of households did not provide an answer.

- **Support of Building a Dog Park in Indicated Area.** Fifty-six percent (56%) of households indicated that they favor building a fenced, off-leash Dog Park in Shaw Park in the area located on the map on page 1 of the survey. In addition, 28% of households indicated that they were not in favor while 15% were not sure. Again, the remaining 1% of households did not provide an answer.

The majority of households (61%) indicated “I do not support moving the location or shortening the length of the proposed trail in Shaw Park” as the reason that they indicated that they were “not in favor” or “not sure” about building a fenced, off-leash Dog Park in Shaw Park. Another reason that ranked high among households as a reason they were “not in favor” or “not sure” was “I do not think that having a Dog Park in Shaw Park is an appropriate use of Green Space” (58%).

Additional Findings:

- Will parking be an issue with Dog Park:
 - Yes (35%)
 - No (33%)
 - Not Sure (31%)
 - Not Provided (1%)

- 94% of respondents are not currently members of a dog park.

- 70% of respondents would join a dog park if developed (of the 5% that are already members of a dog park).

- 57% of households either “strongly agree” or “agree” that a Dog Park would enhance the City of Clayton.

- 51% of households either “strongly agree” or “agree” that the proposed location in Shaw Park is a good one.

- 38% of households either “strongly agree” or “agree” that a Dog Park in Shaw Park would positively affect their enjoyment of the park.

Cross-Tabular Responses:

This report also includes a number of cross-tabular responses based on:

- Whether household owns a dog (Q2)
- Amount of years respondent has lived in City of Clayton (Q16)
- Type of home respondent lives in (Q18)
- Age of Respondent (Q19)
- Household Income (Q21)
- Race/Ethnicity of Respondent (Q22)

We would recommend each of these cross-tabs be studied to drill down on questions and responses.

Charts and Graphs

2011 Clayton Dog Park Survey

Community Interest and Opinion Survey

Q1. Have you or members of your household visited Shaw Park during the past year?

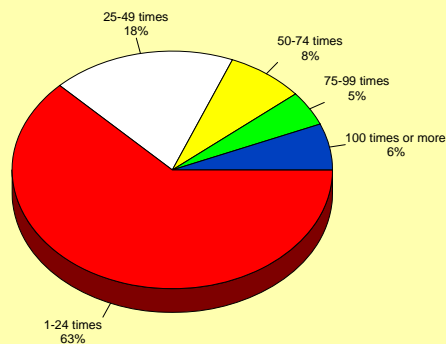

by percentage of respondents

Source: Leisure Vision/ETC Institute (November 2011)

Q1a. Approximately how many times have you or members of your household visited Shaw Park during the past year?

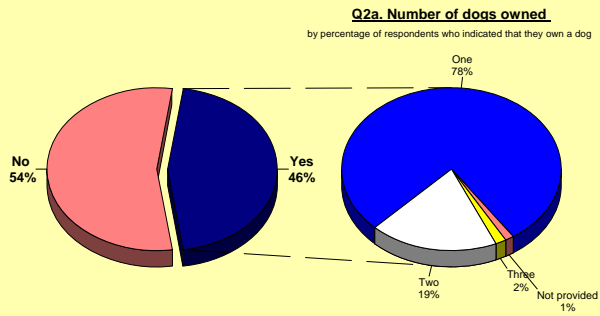

by percentage of respondents who visited Shaw Park during the past year

Source: Leisure Vision/ETC Institute (November 2011)

Q2. Do you own a dog?

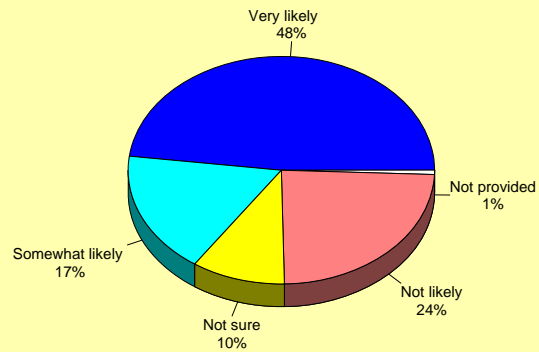

by percentage of respondents

Source: Leisure Vision/ETC Institute (November 2011)

Q3. How likely would you be to use a fenced, off-leash Dog Park in Shaw Park?

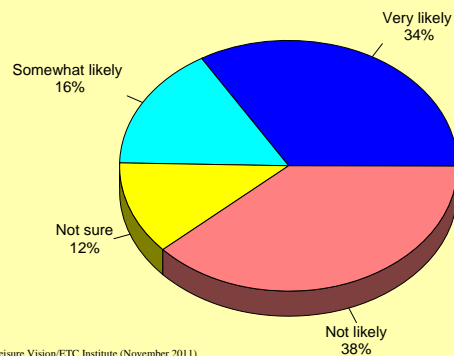

by percentage of respondents who indicated that they own a dog

Source: Leisure Vision/ETC Institute (November 2011)

Q4. Understanding that an annual fee would be charged, how likely would you be to use a fenced, off-leash Dog Park in Shaw Park?

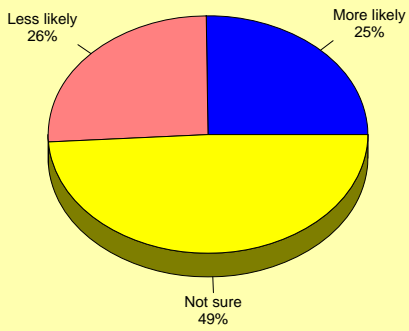

by percentage of respondents who indicated that they own a dog

Source: Leisure Vision/ETC Institute (November 2011)

Q5. Usage of the Dog Park may need to be restricted during peak time for Shaw Park, including some evenings and weekends as well as during large special events. In addition, the number of memberships that can be accommodated at this site would initially be set at 200. We would anticipate that the number of dogs present at any one time would be less than 200. Would these restrictions make you more or less likely to pay an annual membership fee to use the Dog Park?

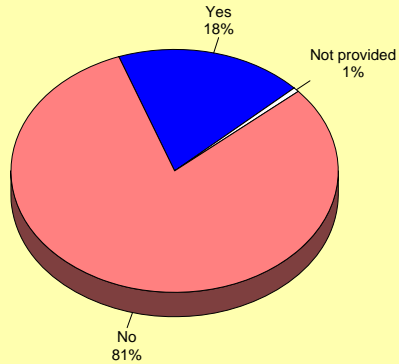

by percentage of respondents who indicated that they own a dog

Source: Leisure Vision/ETC Institute (November 2011)

Q6. Have you or members of your household rented the South Shelter in Shaw Park in the past?

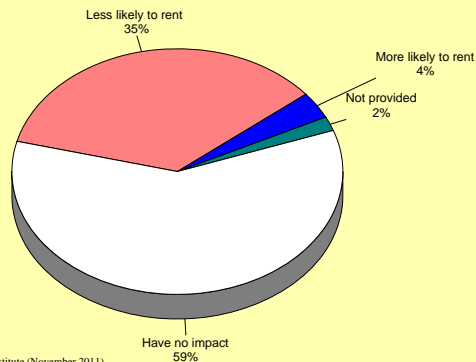

by percentage of respondents

Source: Leisure Vision/ETC Institute (November 2011)

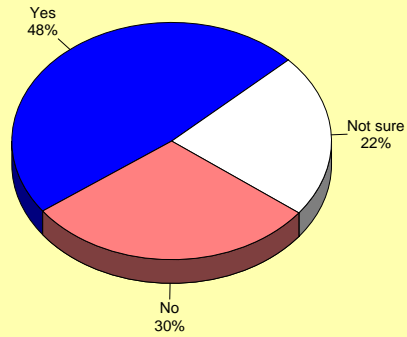

Q7. Would having a fenced, off-leash Dog Park adjacent to the South Shelter make you more likely to rent the shelter, less likely to rent the shelter, or have no impact?

by percentage of respondents

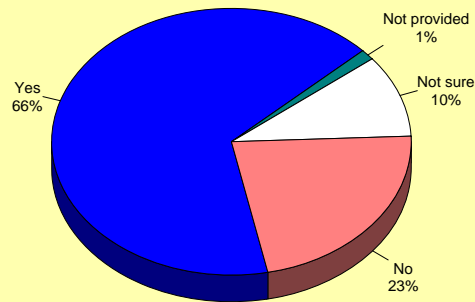

Source: Leisure Vision/ETC Institute (November 2011)

Q8. A recreational trail plan in Shaw Park, partially funded by a grant, is a part of the Master Plan for Shaw Park. The proposed location for the Dog Park would impact part of the proposed trail route. Knowing that, would you be supportive of some adjustment to the route or shortening of the proposed trail in order to accommodate the Dog Park?
by percentage of respondents

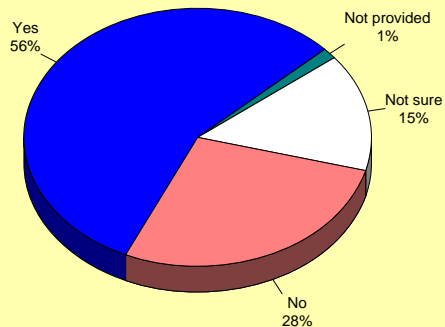

Source: Leisure Vision/ETC Institute (November 2011)

Q9. The costs for building a fenced, off-leash Dog Park in Shaw Park would be funded 100% by private donations and membership fees. Do you support the construction of a Dog Park in light of the fact that it would be funded with private donations and membership fees?
by percentage of respondents

Source: Leisure Vision/ETC Institute (November 2011)

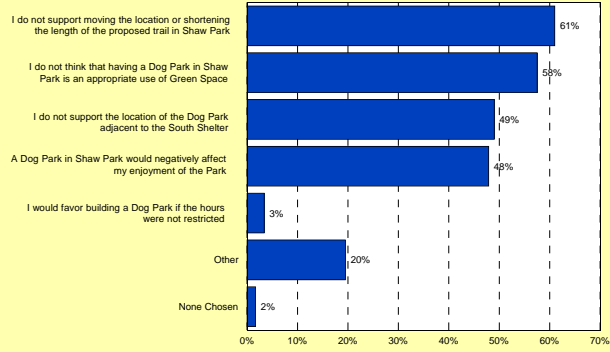

Q10. Do you favor building a fenced, off-leash Dog Park in Shaw Park in the area located on the map on page 1 of the survey?
by percentage of respondents

Source: Leisure Vision/ETC Institute (November 2011)

Q10a. If you do not favor or not sure in building a fenced, off-leash Dog Park in Shaw Park in the area located on the map on page 1, please indicate why:

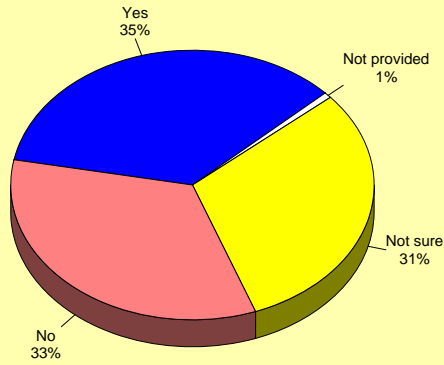

by percentage of respondents who selected "no" or "not sure" in Q10 (multiple choices could be made)

Source: Leisure Vision/ETC Institute (November 2011)

Q11. Do you think parking around Shaw Park would be an issue with this additional usage?

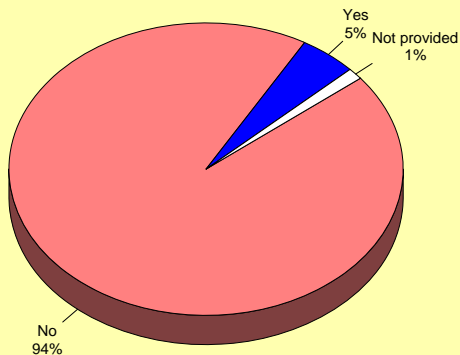

by percentage of respondents

Source: Leisure Vision/ETC Institute (November 2011)

Q12. Are you currently a member of a Dog Park?

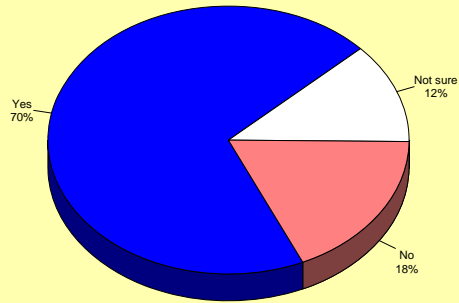

by percentage of respondents

Source: Leisure Vision/ETC Institute (November 2011)

Q12a. If a Dog Park was developed in Shaw Park, would you join it?

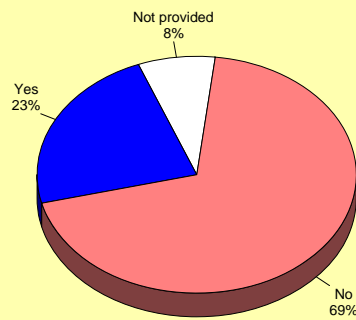

by percentage of respondents who indicated that they are currently a member of a Dog Park

Source: Leisure Vision/ETC Institute (November 2011)

Q13. If a Dog Park was not built in Shaw Park, are there any other City Parks or publicly-owned properties in the City of Clayton that you think should be considered for a Dog Park?

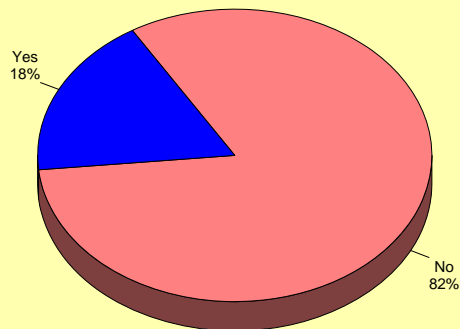

by percentage of respondents

Source: Leisure Vision/ETC Institute (November 2011)

Q14. Are there any other locations besides Shaw Park, other City Parks, or publicly-owned properties that you think would be appropriate for a Dog Park?

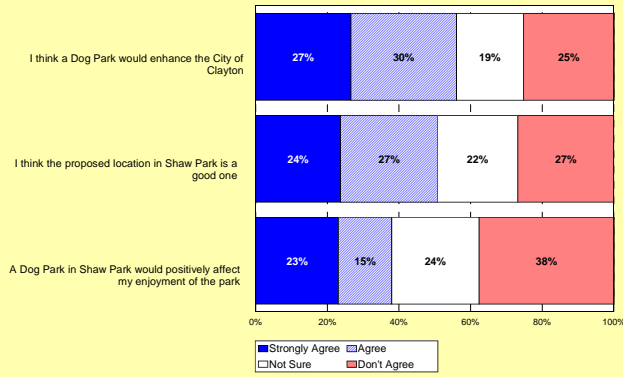

by percentage of respondents

Source: Leisure Vision/ETC Institute (November 2011)

Q15. How much do you agree with each of the following statements?

by percentage of respondents

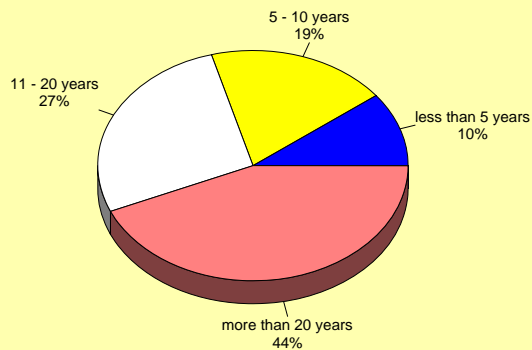

Source: Leisure Vision/ETC Institute (November 2011)

Demographics

Source: Leisure Vision/ETC Institute (November 2011)

Q16. Demographics: Number of years lived in the City of Clayton

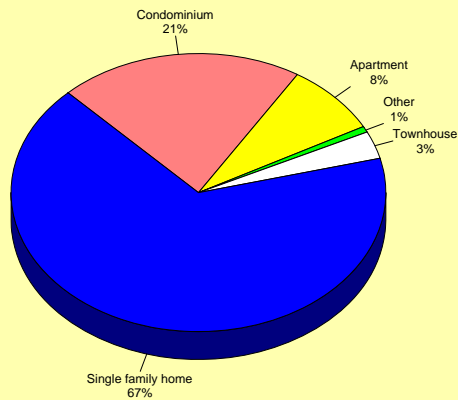

by percentage of respondents

Source: Leisure Vision/ETC Institute (November 2011)

Q18. Demographics: Respondent's type of home

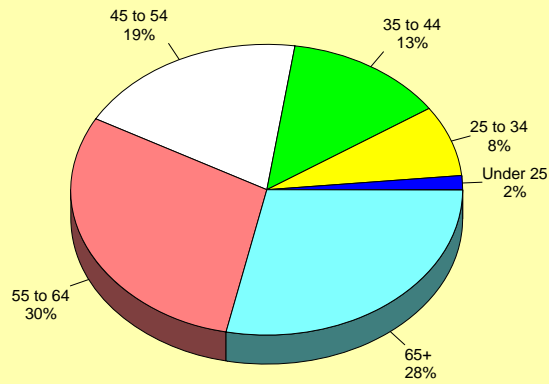

by percentage of respondents

Source: Leisure Vision/ETC Institute (November 2011)

Q19. Demographics: Age of respondents

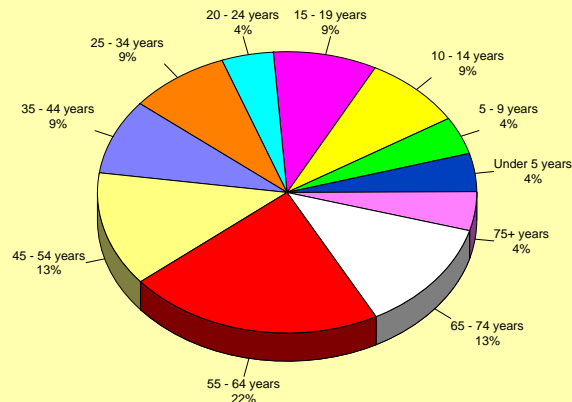

by percentage of respondents

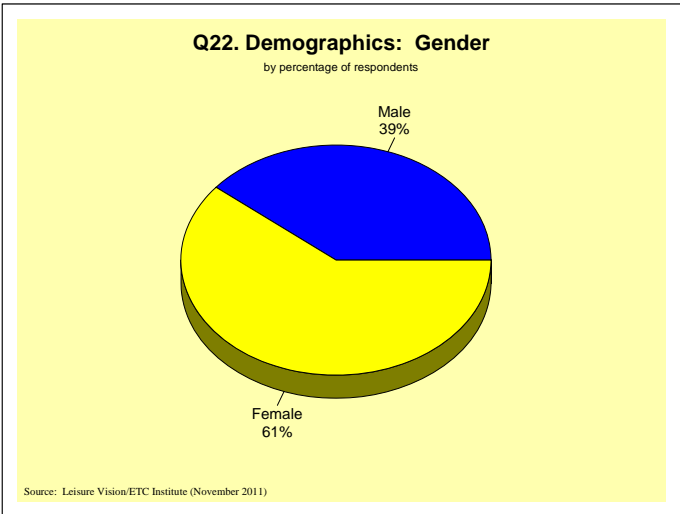

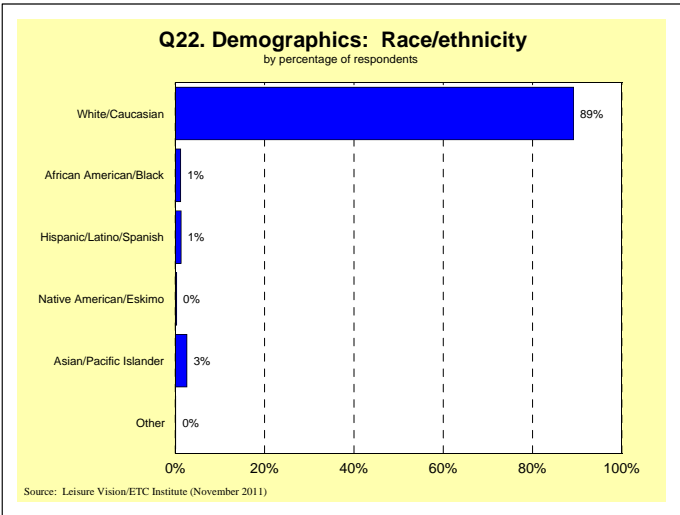

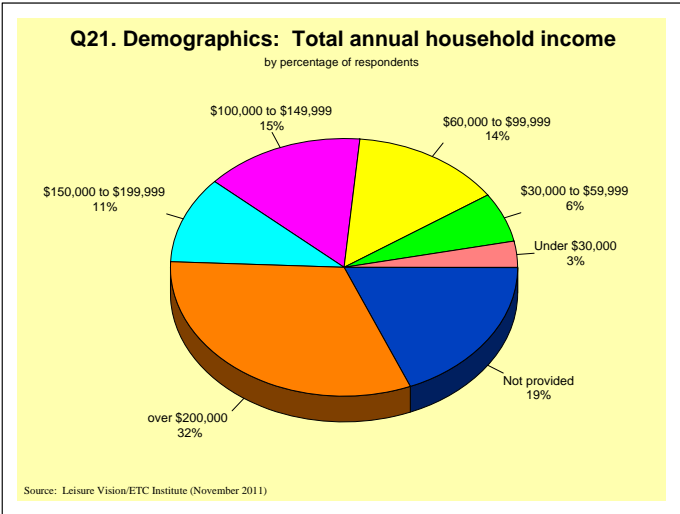

Source: Leisure Vision/ETC Institute (November 2011)

Q20. Demographics: Ages of people in household

by percentage of respondents

Source: Leisure Vision/ETC Institute (November 2011)

Q5 Usage of the Dog Park may need to be restricted during peak time for Shaw Park, including some evenings and weekends, as well as during large special events. In addition, the number of memberships that can be accommodated at this site would initially be set at 200. We would anticipate that the number of dogs present at any one time would be less than 200. Would these restrictions make you more or less likely to pay an annual membership fee to use the Dog Park?

Cross-Tabular Data by
Annual Household Income

Q1 Have you or members of your household visited Shaw Park during the past year?

N=693

Q21 Would you say your annual household income is:	Total
Under \$30,000- \$30,000 \$59,999	
\$60,000- \$99,999	
\$100,000- \$149,999	
\$150,000- \$199,999	
Over \$200,000	

Q1 Have you or members of your household visited Shaw Park during the past year?

Yes	68.2%	65.9%	78.8%	84.5%	86.8%	87.8%	81.7%
No	31.8%	34.1%	21.2%	15.5%	13.2%	12.2%	18.3%

Q1a Approximately how many times have you or members of your household visited Shaw Park during the past year?

N=566

Q21 Would you say your annual household income is:						Total
Under \$30,000	\$30,000-\$59,999	\$60,000-\$99,999	\$100,000-\$149,999	\$150,000-\$199,999	Over \$200,000	

Q1a Approximately how many times have you or members of your household visited Shaw Park during the past year?

100 times or more	20.0%	0.0%	6.4%	4.6%	7.6%	5.6%	6.2%
75-99 times	6.7%	3.4%	5.1%	1.1%	9.1%	5.6%	4.8%
50-74 times	6.7%	3.4%	5.1%	13.8%	3.0%	7.2%	8.0%
25-49 times	13.3%	17.2%	16.7%	19.5%	18.2%	19.5%	18.4%
1-24 times	53.3%	75.9%	65.4%	60.9%	62.1%	62.1%	62.5%
None	0.0%	0.0%	1.3%	0.0%	0.0%	0.0%	0.2%

Q2 Do you own a dog?

N=693

	Q21 Would you say your annual household income is:						Total
	Under \$30,000	\$30,000- \$59,999	\$60,000- \$99,999	\$100,000- \$149,999	\$150,000- \$199,999	Over \$200,000	

Q2 Do you own a dog

Yes	27.3%	47.7%	40.4%	42.7%	47.4%	53.2%	45.6%
No	72.7%	52.3%	59.6%	57.3%	52.6%	46.8%	54.4%

Q3 How likely would you be to use a fenced, off-leash Dog Park in Shaw Park?

N=316

Q21 Would you say your annual household income is:						Total
Under \$30,000	\$30,000-\$59,999	\$60,000-\$99,999	\$100,000-\$149,999	\$150,000-\$199,999	Over \$200,000	

Q3 How likely would you be to use a fenced, off-leash Dog Park in Shaw Park?

Very likely	66.7%	42.9%	57.5%	68.2%	33.3%	50.8%	48.1%
Somewhat likely	0.0%	28.6%	10.0%	9.1%	16.7%	19.5%	17.4%
Not sure	16.7%	9.5%	5.0%	6.8%	19.4%	8.5%	9.8%
Not likely	16.7%	19.0%	25.0%	15.9%	27.8%	21.2%	24.1%
None chosen	0.0%	0.0%	2.5%	0.0%	2.8%	0.0%	0.6%

Q4 An annual membership fee would be charged for usage of the Dog Park to pay for annual up-keep, including turf maintenance and repairs. Understanding that an annual fee would be charged, how likely would you be to use a fenced, off-leash dog park in Shaw Park? (This fee would most likely be in the range of \$60 to \$80 per dog).

N=316

Q21 Would you say your annual household income is:						Total
Under \$30,000	\$30,000- \$59,999	\$60,000- \$99,999	\$100,000- \$149,999	\$150,000- \$199,999	Over \$200,000	

Q4 An annual membership fee would be charged for usage of the Dog Park to pay for annual up-keep, including turf maintenance and repairs. Understanding that an annual fee would be charged, how likely would you be to use a fenced, off-leash dog park in Shaw Park? (This fee would most likely be in the range of \$60 to \$80 per dog).

Very likely	33.3%	14.3%	32.5%	43.2%	30.6%	43.2%	33.5%
Somewhat likely	16.7%	33.3%	20.0%	22.7%	11.1%	13.6%	16.1%
Not sure	16.7%	9.5%	15.0%	6.8%	13.9%	12.7%	12.0%
Not likely	33.3%	42.9%	32.5%	27.3%	44.4%	30.5%	38.3%

Q5 Usage of the Dog Park may need to be restricted during peak time for Shaw Park, including some evenings and weekends, as well as during large special events. In addition, the number of memberships that can be accommodated at this site would initially be set at 200. We would anticipate that the number of dogs present at any one time would be less than 200. Would these restrictions make you more or less likely to pay an annual membership fee to use the Dog Park?

N=316

Q21 Would you say your annual household income is:						Total
Under \$30,000	\$30,000- \$59,999	\$60,000- \$99,999	\$100,000- \$149,999	\$150,000- \$199,999	Over \$200,000	

Q5 Usage of the Dog Park may need to be restricted during peak time for Shaw Park, including some evenings and weekends, as well as during large special events. In addition, the number of memberships that can be accommodated at this site would initially be set at 200. We would anticipate that the number of dogs present at any one time would be less than 200. Would these restrictions make you more or less likely to pay an annual membership fee to use the Dog Park?

More likely	50.0%	14.3%	27.5%	45.5%	8.3%	25.4%	25.0%
Less likely	0.0%	23.8%	35.0%	20.5%	36.1%	20.3%	25.6%

Section 7:
Open-ended Comments

Q9 Do you support the construction of a Dog Park in light of the fact that it would be funded with private donations and membership fees?

Q9a Please share why you answered no or not sure:

Q9a Why did you answer "No/Not Sure":

PET OWNERS SOULD NOT IMPOSE CARE OF THEIR ANIMALS ON OTHERS
200 DOGS, BARK-BARK-BARK, KEEP SHAW PARK QUIET
A DOG PARK IS NOT APPROPRIATE IN SHAW PARK
A DOG PARK MIGHT HURT THE PARK ASETHETICS
AFRAID OF DOGS; INCREASED PARKING PRESSURE
I'M AGAINST DOG PARK
ALL DOGS DONT' THRIVE IN UNLEASHED SETTING
ANTICIPATE DRAWING NON-CLAYTON DOG OWNERS
BETTER KEEP SPACE AS IS; NO COST TO TAXPAYERS
BETTER USE FOR SHAW PARK
CITY OF CLAYTON HAS PLENTY OF MONEY TO PAY FOR PARK
CITY SHOULD PAY
CLAYTON DOESNT NEED THIS, PARK IS FOR PEOPLE
COST IS NOT PRIMARY CONSIDERATION IN VALUE OF PARK
COULD THESE FUNDS BE USED FOR SOMETHING ELSE?
CUTS DOWN ON OPEN SPACE FOR QUIET RECREATION/CAT PARK
DEDICATION PARK; PARK FOR LIMITED PURPOSES
DEPENDS ON HOW IT IMPACTS OTHER ACTIVITIES
DO NOT WANT NON-LEASHED DOG PARK
DO YOU THINK PEOPLE WOULD PAY FOR MEMBERSHIP?
DOESN'T MATTER WHO PAYS FOR IT, LOCATION IS BAD
DOG PARKS ARE UNSIGHTLY
DOG PARKS ARE REALLY FOR THE OWNERS; NOT FOR DOGS
DOG FIGHTS ARE A MESS/STINK/NOISE/RESTRICTING PARK USE
DOG OWNERS DON'T HAVE SPECIAL NEEDS/PRIVILEDGES
DOG OWNER ARE AGAINST THE PUBLIC USE OF THE PARK
DOG PARK DOESN'T BELONG IN SHAW PARK
DOG PARK DOESN'T FIT, DETRACTS FROM BEAUTY OF PARK
DOG PARK NOT APPROPRIATE; TOO MANY DOGS
DOG PARKS ARE AN UNSIGHTLY MESS
DOG PARK WHERE THERE IS LITTLE
DOG PARK WILL BENEFIT SOME RESIDENTS
DOG PARK WOULD BE A GREAT DETRACTION OF THIS PARK
DOG PARK WOULD BE TOO MUCH; AFFECT USE OF PARK
DOG PARK WOULD BE USED BY SMALL % OF RESIDENCE & NON RESIDENCE
DOG PARK WOULD RESTICT A SIGNIFICANT SIZE OF THE PARK
DOG PARK WOULD STILL EFFECT AREA OF THE PARK
DOGS ARE A PROBLEM MORE THAN SMOKERS
DOGS INTERFERE WITH PEACE AND QUIET
DOGS NOT THE COMMUNITY'S RESPONSIBILITY; NOT APPROPRIATE
DON'T APPROVE OF DOG PARKS FOR NUMBER OF REASONS
DON'T HAVE A DOG
DON'T HAVE A DOG
DON'T NEED A DOG PARK
DON'T SEE NEED AND PARK SHOULD BE FOR EVERYONE
DON'T THINK WE NEED THE DOG PARK
DON'T THINK THE PROPOSED LOCATION IS A GOOD CHOICE
DON'T UNDERSTAND THE NEED
DON'T WANT A DOG PARK EVEN IF PRIVATELY FUNDED
DON'T WANT DOG PARK IN SHAW PARK

Q9a Please share why you answered no or not sure (continued)

Q9a Why No/Not Sure

DON'T WANT THIS TO IMPACT TRAIL
DONT BELIEVE IT WOULD ENHANCE PARK EXERIENCE
DONT BELIEVE YOU WILL HAVE ENOUGH MEMBERSHIP
DONT HAVE A DOG; DONT KNOW IF BENEFIT OUTWEIGHS NEGATIVE
DONT HAVE A POSITIVE OPINION OF DOG PARK & OWNERS
DONT HAVE ANY COST OR FEES OR ANY RESTRICTIONS
DONT KNOW THE AGRUMENTS ON THIS ISSUE
DONT LIKE DOGS, PREFER TO HAVE PARK FOR PEOPLE USE
DONT OWN A DOG, DONT SEE A NEED FOR A DOG PARK
DONT SEE A NEED FOR DOG PARK
DONT SUPPORT CONSTRUCTION REGARDLESS OF HOW FUNDED
DONT SUPPORT CURRENT PROPOSED LOCATION
DONT SUPPORT USING PARK SPACE FOR DOG PARK
DONT TRUST THAT MANY DOGS, PEOPLE WONT CLEAN UP
DONT WANT A DOG PARK
DONT WANT A DOG PARK IN SHAW PARK
DONT WANT A DOG PARK IN SHAW; LEAVE IT ALONE
DONT WANT A DOG PARK; GREEN SPACE IT TOO VALUABLE
DONT WANT A DOG PARK; PARK IS SMALL & USED BY PEOPLE
DONT WANT DOG PARK IN SHAW PARK
DONT WANT PRECIOSUS PARK LAND FENCED OFF FOR DOGS
DONT WANT TO CLOSE OFF PART OF SHAW PARK
EVEN 25-50 WOULD MAKE FOR A SEVERE PARK SETTING
FEEL I DO NOT HAVE THE FULL STORY
FEEL SHAW PARK IS NOT THE PLACE FOR A DOG PARK
FUNDING IS IRRELEVANT TO HOW IT WOULD IMPACT TRAIL
HAVE NO REASON TO USE; KEEP DOG PARK FENCED
HAVING FENCED AREA DETRACTS FROM OVERALL PARK
HOW INVASIVE WOULD DOG PARK BE ON OVERALL ENVIRONMENT
I AM AGAINST ANY DOG PARK
I AM NOT IN FAVOR OF DOG PARKS ON PUBLIC PROPERTY
I AM TOTALLY AGAINST A DOG PARK IN SHAW PARK
I BELIEVE THERE IS AMPLE SPACE FOR DOGS ALREADY
I DO NOT HAVE A DOG
IF IT AFFECTS A TRAIL
IF IT IMPACTS SPORTS PATH
IT'S A HUMAN PARK
IT SEEMS EXCLUSIVE
IT SHOULD BE PAID FOR BY THE CITY
ITS A PUBLIC PARK; I OBJECT TO PRIVATIZATION
ITS BEING BUILT ON PUBLIC PROPERTY/GREEN SPACE
ITS NOT HOW ITS FUNDED BUT WHERE THE PARK WOULD BE
JUST DON'T SEE THE NECESSITY OF IT
LESS CONCERNED ABOUT FUNDING THAN SCARCITY OF SPACE
LIKE PARK AS IS FOR CHILDREN AND ADULTS
LIKE SHAW PARK AS IS; DO NOT TAKE SPACE FROM PARK
LIKE TO SEE A DOG PARK IN A LARGER OPEN AREA
LIMITED GREEN SPACE ALREADY
LORD HAVE MERCY! WE BARELY ACCOMADATE HUMAN BEINGS

Q9a Please share why you answered no or not sure (continued)

Q9a Why No/Not Sure

MAINTENANCE WOULD LIKELY BE PAID BY CITY PARKS DEPARTMENT
MAY CHANGE THE BEAUTY/QUIETNESS OF THE PARK
METHOD OF FUNDING IS NOT ONLY ISSUE
MIGHT IMPACT THE TRAIL ROUTE
MORE DOGS WOULD BE IN THE PARK
MORE IMPORTANT TO KEEP PROPOSED TRAIL ROUTE
MOST HAVE FENCED YARDS, JUST NOT NECESSARY
NO PROBLEMS WITH CURRENT ARRANGEMENTS
NO PROBLEM WITH DOG PARK UNLESS IT INTERFERES WITH TRAIL
NOT A BIG CITY PERSON; UNSURE ABOUT DOG PARK
NOT APPROPRIATE FOR A PARK OF THIS SIZE
NOT APPROPRIATE TO HAVE PRIVATELY FUNDED
NOT CERTAIN A DOG PARK WOULD BE SAFE FOR MY DOG
NOT ENOUGH PARKING
NOT FOR A DOG PARK
NOT IN FAVOR OF PARK DUE TO PROXIMITY TO OTHER AMENITIES
NOT INTERESTED IN BATTLING DOGS IN THE PARK
NOT LIKELY TO PAY
NOT MUCH DIFFERENT FROM TENNIS COURTS
NOT SURE A COST OF \$60-80 IS WORTH THE PROPOSED BENEFITS
NOT SURE DOG PARK IS AN IMPORTANT ADDITION
NOT SURE HOW DOG PARK WOULD IMPACT USE OF SHAW PARK
NOT SURE IF IT'S THE BEST USE OF SPACE & PARKING CONCERNS
NOT SURE IT'S NEEDED FOR DOGS
NOT SURE THIS IS THE BEST FOR THIS AREA
NOT SURE WHAT IMPACT WOULD BE ON THE REST OF PARK
NOT SURE WHAT MEMBERSHIP FEE YOU ARE REFERRING TO
NOT SURE WHAT THE DOWNSIDE IS OF A DOG PARK
DO NOT TAKE PUBLIC LAND AND PUT ASIDE FOR DOG OWNERS
NOTHING I NEED; BUT RECOGNIZE THE VALUE FOR SOME
ONE ITEM FOR CITY TO MAINTAIN, FUNDING FALLS SHORT
ONLY SUPPORT DOG PARK IF DOESN'T IMPEDE OTHER PROJECTS
PARK IS FOR PEOPLE; COULD IMPACT THE USE BY FAMILIES
PARK SHOULD BE FOR PEOPLE
PARK SHOULD BE USED FOR PEOPLE NOT DOGS
PARK TOO SMALL WITH HIGH UTILIZATION
PARK WOULD BE DIMINISHED WITH CONSTRUCTION OF DOG PARK
PARKS ARE FOR PARKS NOT ANIMALS
PEOPLE WALK THEIR DOGS ALL THE TIME
PEOPLE WALK THEIR OWN DOGS ON SIDEWALKS
PREFER PEOPLE PARK
PRIVATE DONORS SHOULD CONTRIBUTE TO CHARITIES
PUBLIC PARK LAND SHOULD NOT BE DEDICATED TO PRIVATE CLUB
RATHER SEE PRIVATE MONEY GOING TO SOMETHING ELSE
RESPECT THE OPINION OF RESIDENTS CLOSER IN THE AREA
SHAW PARK IS WONDERFUL; PLENTY OF OTHER PLACES
SEEMS IT WOULD BE A PRIVATE PARK IN A PUBLIC VENUE
SHAW PARK IS A PUBLIC FACILITY NOT A PRIVATE CLUB
SHAW PARK IS OVER DEVELOPED, TOO MANY KIDS AROUND

Q9a Please share why you answered no or not sure (continued)

Q9a Why No/Not Sure

SHAW PARK USED AS DOG PARK AT EXPENSE OF GRASS FIELD
SHOULD COMBINE PUBLIC/PRIVATE/MEMBERS FEES
SHOULD NOT BE PERMANENT
SHOULD NOT USE PUBLIC LAND FOR PRIVATE USE
SOCCER, OTHER ACTIVITIES, AND PARKING
STILL ON PUBLIC LAND; DOESN'T SEEM FAIR
TAKING AWAY PARK PROPERTY THAT WE DO USE
THERE IS ENOUGH DOG DROPPINGS IN PARK ALREADY
THERE WILL BE SOME HIDDEN COSTS
THINK A MEMBERSHIP FEE IS RIDICULOUS
TOO LITTLE SPACE IN PARK TO MAN OVER 200 DOG OWNER
UNNECESSARY PARK
UNSURE IF WE WOULD LIKE TO PAY FOR MEMBERSHIP
USE SHAW PARK FOR PARK ACCESS; INCREASE CONGESTION
WE ARE ADAMENTLY OPPOSED TO A DOG PARK
WHAT HAPPENS WHEN ITS NOT FULLY FUNDED
WHAT IS THE TRAIL PLAN MODIFICATIONS
WHAT MEMBERSHIP FEES? MEMBERSHIP IN THE DOG PARK?
WHO PAYS FOR MAINTAINING THE DOG PARKS?
WHO PAYS FOR ONGOING MAINTENANCE? IT WOULD BE AN EYESORE
WHO WOULD FUNDING MAINTENANCE & CLEAN UP OF DOG PARK?
WHO WOULD PAY FOR MAINTENANCE AND CLEAN UP?
WHY SHOULD IT BE DIFFERENT FROM ANY OTHER FACILITY?
WITH MONEY GENERALLY COMES CONTROL
WOULD IMPACT WALKING ON THE TRAIL
WOULD NOT USE DOG PARK
WOULD NOT USE IT; DONT HAVE A DOG
WOULD WANT TO KNOW MORE SPECIFICS
WOULDN'T USE IT; DON'T REALLY CARE EITHER WAY

Q10 Do you favor building a fenced, off-leash Dog Park in Shaw Park in the area located on the map on page 1?

Q10a Other reasons you answered no or not sure:

Q10a Other

ADJACENT PARK WILL BE EFFECTED
AFFECT ON OPEN SPACE
ALREADY HAVE ENOUGH DOG POOP
CONCORDIA IS A BETTER LOCATION
DEPENDS ON APPEARANCE
DOG PARK DAMAGES NATURAL BEAUTY
DOG PARKS ARE FUN IF MANAGED
DON'T APPROVE OF DOG PARKS
DON'T CALL EITHER WAY
DON'T THINK ITS NECESSARY
DON'T THINK MEMBERSHIP NECESSARY
DONT KNOW THE AGRUMENTS
DONT REALLY CARE
DONT TRUST PEOPLE TO PICK UP
DOUBT PRIVATE FUNDING WOULD COVER
HAVE MY OWN YARD
HOW WOULD IT IMPACT PEOPLE USING IT
IF THERE IS A DEMAND
IF USED FOR HIGH SCHOOL CROSS-COUNTRY MEET
IMPACT CROSS COUNTRY COURSE
INCREASED CONGESTION
THE SITE IS CLOSE TO PARKING
LAND FOR DOG PARK IS TOO SMALL
LEASH IS INDIVIDUAL RESPONSIBILITY
LIKE TO KNOW FINAL PLANS
LITTLE GREEN SPACE AS IT IS
MAYBE, ITS A GOOD SPACE FOR DOGS
NEED MORE INFORMATION
NEED TO KNOW DEMAND FOR THIS
NICE TO HAVE OWNERS ENJOY PETS
NOISE & UNSANITARY
NONE; DON'T HAVE A DOG
NOT EVERYONE LIKES DOGS
HAVE NOT HEARD FULL STORY
NOT SURE HOW IT WOULD IMPACT
NOT SURE WHERE THE BEST LOCATION IS
OFF LEASH DOG PARK IS FINE
OTHER LOCATION
OTHER LOCATION IS LESS INVASIVE
PARKING
PARKING
PARKING COULD BE A PROBLEM
PARKING IS AN ISSUE
PEOPLE SHOULD USE THEIR OWN YARDS
POOP AND MESS
PUT AT FORSYTH & BRENTWOOD
SMALLER SEPARATE AREA WOULD BE BETTER
SMELL OF DOGS EXCREMENT
STILL NEED MORE DETAILS
TAKE THEIR DOGS TO FOREST PARK

Q10a Other (Continued)

Q10a Other

THERE IS ALREADY A DOG PARK
UNCLEAR OF TRUE IMPACT
WHERE WOULD DOG OWNERS PARK?
WHY DO WE NEED THIS?
WHY DO YOU HAVE TO BUILD IT?
WOULD MAKE PARKING HARDER

Section 8:
Survey Instrument

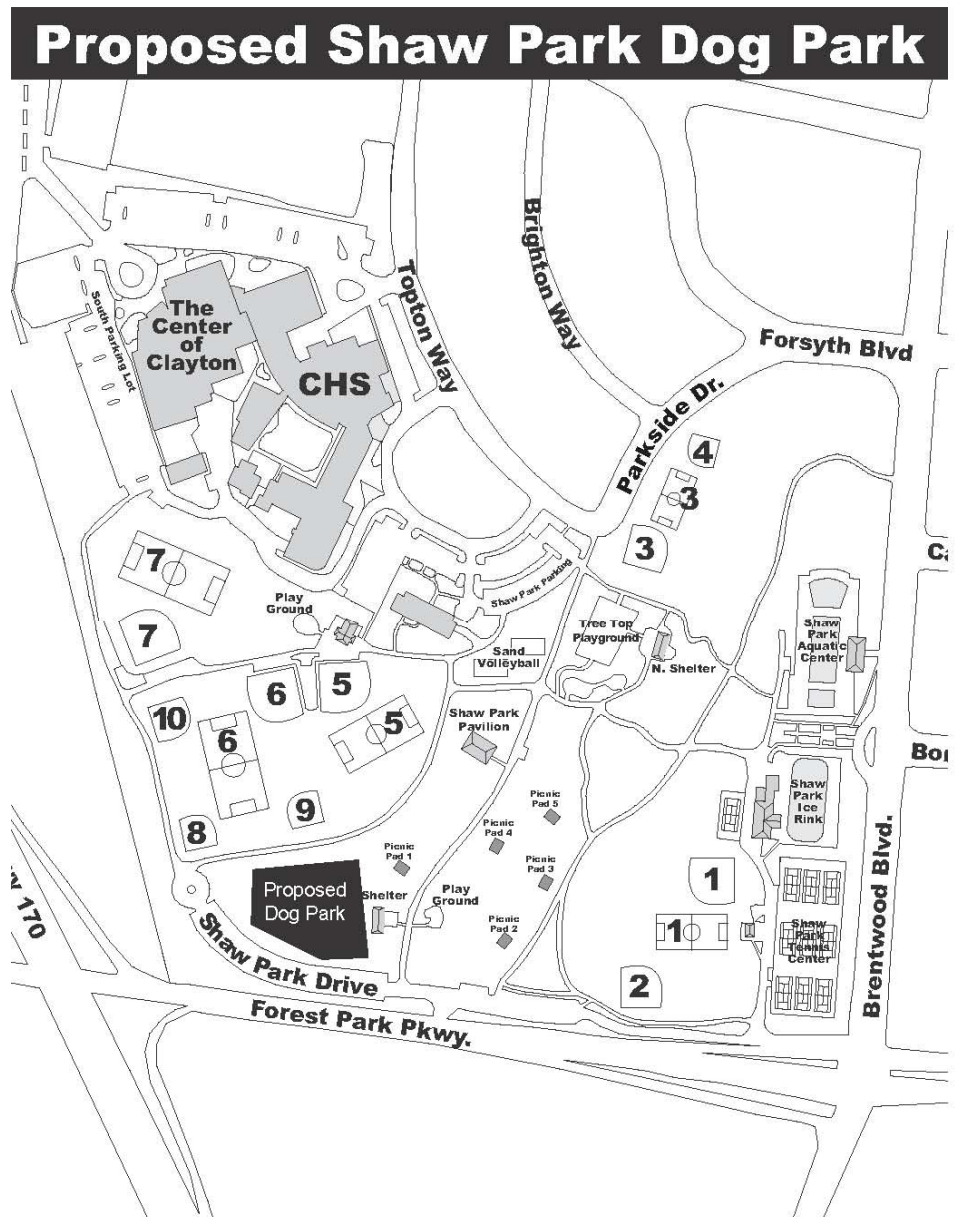

Community Interest and Opinion Survey: *Let your voice be heard today!*

The City of Clayton would like your input regarding development of a Dog Park in Shaw Park. This survey will take 5-10 minutes to complete. When you are finished, please return your survey in the enclosed postage-paid, return-reply envelope. We greatly appreciate your time in providing the City with this important information.

1. **Have you or members of your household visited Shaw Park during the past year?**
 ____ (1) Yes [Please answer Question #1a.] ____ (2) No [Please go to Question #2.]
 - 1a. **Approximately how many times have you or members of your household visited Shaw Park during the past year?**
 ____ (1) 100 times or more ____ (3) 50-74 times ____ (5) 1-24 times
 ____ (2) 75-99 times ____ (4) 25-49 times

2. **Do you own a dog?**
 ____ (1) Yes [Please answer Question #2a.] ____ (2) No [Please go to Question #6.]
 - 2a. **Please indicate the number of dogs you own** _____

A map of Shaw Park is shown to the right with the location of the Proposed Dog Park. Shaw Park is 47.6 acres in size, of which 23.67 acres is developed. The proposed Dog Park is 1.1 acres in size. Please answer the questions in this survey regarding locating a Dog Park in Shaw Park.

3. **How likely would you be to use a fenced, off-leash Dog Park in Shaw Park?**
____(1) Very likely
____(2) Somewhat likely
____(3) Not sure
____(4) Not likely
4. **An annual membership fee would be charged for usage of the Dog Park to pay for annual up-keep, including turf maintenance and repairs. Understanding that an annual fee would be charged, how likely would you be to use a fenced, off-leash dog park in Shaw Park? (This fee would most likely be in the range of \$60 to \$80 per dog).**
____ (1) Very likely
____ (2) Somewhat likely
____ (3) Not sure
____ (4) Not likely
5. **Usage of the Dog Park may need to be restricted during peak time for Shaw Park, including some evenings and weekends as well as during large special events. In addition, the number of memberships that can be accommodated at this site would initially be set at 200. We would anticipate that the number of dogs present at any one time would be less than 200. Would these restrictions make you more or less likely to pay an annual membership fee to use the Dog Park?**
____ (1) More likely
____ (2) Less likely
____ (3) Not sure
6. **Have you or members of your household rented the South Shelter in Shaw Park in the past?**
____(1) Yes
____(2) No
7. **The proposed location of the Dog Park is adjacent to the South Shelter. Would having a fenced, off-leash Dog Park adjacent to the South Shelter make you more likely to rent the shelter, less likely to rent the shelter, or have no impact?**
____(1) More likely to rent the South Shelter
____(2) Less likely to rent the South Shelter
____(3) Have no impact on my decision to rent the South Shelter
8. **A recreational trail plan in Shaw Park, partially funded by a grant, is a part of the Master Plan for Shaw Park. The proposed location for the Dog Park would impact part of the proposed trail route. Knowing that, would you be supportive of some adjustment to the route or shortening of the proposed trail in order to accommodate the Dog Park?**
____ (1) Yes
____ (2) No
____ (3) Not sure

9. The costs for building a fenced, off-leash Dog Park in Shaw Park would be funded 100% by private donations and membership fees. Do you support the construction of a Dog Park in light of the fact that it would be funded with private donations and membership fees?

- (1) Yes
- (2) No [Please answer Question #9a]
- (3) Not sure [Please answer Question #9a]

9a. Please share why you answered no or not sure? _____

10. Do you favor building a fenced, off-leash Dog Park in Shaw Park in the area located on the map on page 1?

- (1) Yes
- (2) No [Please answer Question #10a]
- (3) Not sure [Please answer Question #10a]

10a. Please check ALL the reasons you answered no or not sure.

- (1) I do not think that having a Dog Park in Shaw Park is an appropriate use of Green Space
- (2) I do not support the location of the Dog Park adjacent to the South Shelter
- (3) I do not support moving the location or shortening the length of the proposed trail in Shaw Park
- (4) A Dog Park in Shaw Park would negatively affect my enjoyment of the Park
- (5) I would favor building a Dog Park if the hours were not restricted
- (6) Other: _____

11. Do you think parking around Shaw Park would be an issue with this additional usage?

- (1) Yes
- (2) No
- (3) Not sure

12. Are you currently a member of a Dog Park?

- (1) Yes [Please answer Question #12a]
- (2) No [Please skip to Question #13]

12a. If a Dog Park was developed in Shaw Park would you join it?

- (1) Yes
- (2) No
- (3) Not sure

13. If a Dog Park was not built in Shaw Park are there any other City Parks or publicly owned properties in the City of Clayton that you think should be considered for a Dog Park?

- (1) Yes [Please answer Question #13a.]
- (2) No [Please skip to Question #14]

13a. Please write in the parks or publicly owned properties you think should be considered for a Dog Park.

14. Are there any other locations besides Shaw Park, other City Parks, or publicly owned properties that you think would be appropriate for a Dog Park?

- ____ (1) Yes [Please answer Question #14a.]
- ____ (2) No [Please skip to Question #15.]

14a. Please write in the properties you think should be considered for a Dog Park.

15. How much do you agree with each of the following statements?

<u>How much do you agree with each of the following statements</u>	Strongly Agree	Agree	Not Sure	Don't Agree
(A) I think a Dog Park would enhance the City of Clayton.....	1	2	3	4
(B) A Dog Park in Shaw Park would positively affect my enjoyment of the park	1	2	3	4
(C) I think the proposed location in Shaw Park is a good one	1	2	3	4

Demographics

16. Approximately how many years have you lived in the City of Clayton?

- ____ (1) less than 5 years
- ____ (2) 5 – 10 years
- ____ (3) 11 – 20 years
- ____ (4) more than 20 years

17. If you have lived in Clayton for less 10 years, from where did you move?

City _____, State _____

18. In what kind of home do you live?

- ____ (1) Apartment
- ____ (2) Condominium
- ____ (3) Single family home
- ____ (4) Townhouse
- ____ (5) Other: _____

19. What is your age?

- ____ (1) Under 25
- ____ (2) 25 to 34
- ____ (3) 35 to 44
- ____ (4) 45 to 54
- ____ (5) 55 to 64
- ____ (6) 65+

20. How many in your household (counting yourself), are:

- | | | | | | | | |
|---------------|------|---------------|------|---------------|------|---------------|------|
| Under 5 years | ____ | 15 - 19 years | ____ | 35 - 44 years | ____ | 65 - 74 years | ____ |
| 5 - 9 years | ____ | 20 - 24 years | ____ | 45 - 54 years | ____ | 75+ years | ____ |
| 10 - 14 years | ____ | 25 - 34 years | ____ | 55 - 64 years | ____ | | |

21. Would you say your annual household income is:

- ____ (1) Under \$30,000
- ____ (2) \$30,000 to \$59,999
- ____ (3) \$60,000 to \$99,999
- ____ (4) \$100,000 to \$149,999
- ____ (5) \$150,000 to \$199,999
- ____ (6) over \$200,000

22. Which of the following best describes your race/ethnicity?

- ____ (1) White/Caucasian
- ____ (2) African Americans/Black
- ____ (3) Hispanic/Latino/Spanish
- ____ (4) Native American/Eskimo
- ____ (5) Asian/Pacific Islander
- ____ (6) Other: _____

23. Your gender: ____ (1) Male ____ (2) Female
