Fitness Class Descriptions (all fitness classes ages 14+)

BALANCE FOR LIFE – In class, you will be guided through some basic exercises that will help you not only regain what you have lost, but also help improve balance.

BARRE FITNESS – Full body workout that fuses the best elements of ballet, pilates, sports conditioning and stretching for a truly unique and fun experience. The moves are low impact but high intensity intervals of strength training followed immediately by deep recovery stretching.

CARDIO COMBO – High energy workout combining all of the latest group exercise formats. Boost energy and increase endurance.

CARDIO PUMP – Get your weight workout AND your cardio workout done in the compact one hour interval class.

ESSENTRICS - Essentrics is a full body workout that changes and aligns your body through strengthening and stretching. The Esmonde-White technique develops lean, strong and flexible muscles that change the overall shape of your body and posture. It draws from Tai-Chi, creating flow & balance; theories of ballet, which creates long, lean & flexible muscles; and the pain relieving principles of Pilates and physiotherapy.

H.I.I.T - Blast fat and calories with this high intensity workout. HIIT is a training technique with short, intense, unsustainable bursts of physical activity paired with intervals of quick rest. It will get and keep your heart rate up and burn more fat in less time. Perfect for all fitness levels.

INDOOR CYLING – Whether you are a new rider or a cycling veteran, this class has cardio conditioning, expert instruction and is easy to follow!

INSANITY – A revolutionary cardio-based total body conditioning program based on the principles of MAX Interval Training, which results in more calories burned, faster results, and a more efficient metabolism. Safe, challenging, and results driven for all fitness levels.

INSANITY & MORE– This class is for men and women who want to take their bodies to the limit. It will always bring a surprise to your system. Many classes will provide HiIT in the famous, Insanity format: all bodyweight, going as hard as you can, making it as intense as you want it to be, to burn fat and build power. Some days will provide resistance exercises and equipment to build strength & stability.

LUNCH EXPRESS CYCLING-Join us for this 45 minutes Indoor Cycling class during your lunch hour.

PILATES MAT – Incredible, portable Pilates Mat class teaches fun and refreshing moves to lengthen and strengthen your body from your core so you move like a dancer through life.

PUMP – A simple, athletic based workout that strengthens, tones and defines every major muscle group in your body - ideal for any fitness level.

SLIMNASTICS - This low intensity, low impact class combines cardiovascular conditioning with strength and flexibility exercises.

STRONG by Zumba™ - combines high intensity interval training with the science of Synced Music Motivation. In every class, music and moves sync in a way that pushes you past your perceived limits, to reach your fitness goals faster.

TAI-CHI - The very nature of Tai-Chi is suitable for people of all ages. It promotes limber joints, stimulates blood circulation and always leaves you feeling relaxed.

TOTAL BODY CONDITIONING – Combining various types of cardio and strength training exercises to get you moving and tone you up! An excellent full body workout followed by core training and stretch.

TRX – TRX® Suspension Training® is a revolutionary total-body fitness program that uses gravity against the individual's own body weight to simultaneously develop strength, balance, flexibility and core stability.

YOGA CYCLE—Yoga Cycle is a combination class format that trains your heart and strengthens your lower body with a cycling ride, and then stretches your hard-worked muscles with yoga asanas.

YOGA MINDFUL FLOW – This class is designed to promote awareness of breath and movement. You will practice different breathing techniques and a series of yoga sequences with a slow pace that will give you time to connect with your breath and to tune inward. Some classes will also integrate the philosophy of yoga into the postures. All levels are welcome.

YOGA-OPEN LEVELS—Principles of breath and alignment are employed to increase strength, flexibility, and awareness. Taught in dynamic style, alternating movement synchronized with breath with held postures.

YOGA VINYASA – Flowing sequence of poses synchronized with breath. Here, we will move from one pose to the next, incorporating breath, awareness and alignment principles.

ZUMBA – A fusion of Latin and International music & dance themes create a dynamic, exciting effective fitness workout.
