APPLICATION FOR PLUMBING PERMIT RESIDENTIAL/COMMERCIAL Continued

Describe nature of work and specific location on building or site _____

Realistic cost of plumbing work: \$ _____

Permit valuations shall include total value of work, including materials and labor, for which the permit is being issued. If, in the opinion of the Building Official, the valuation is underestimated on the application, the permit shall be denied, unless the applicant can show detailed estimates to meet the approval of the Building Official. Final plumbing permit valuation shall be set by the Building Official.
