DO's & DON'T's

- The 4th and 5th weeks of the month will be used as "catch-up" days. On regular collection days, crews will be making the best effort to collect each and remain on schedule, this may result in removal of most but not all leaves in some locations. Crews will document and return to only these areas during the "catch up" weeks, these days will not be for additional leaf pickup through each neighborhood.
- Obey the street sweeping signs on the scheduled leaf collection day.
- All streets will be collected on the scheduled day or the following workday, weather permitting.
- Rake leaves into curb-line by 7 AM on the day of your collection & please, no plastic bags, limbs or brush.
- Leaves placed at the curb after 7 AM on your collection day may not be collected until the next cycle.
- In case of inclement weather (heavy rain, snow or ice), the leaf collection schedule will be modified. Please call Public Works at 290-8540 or visit the website for a revised schedule.
- Do not rake the leaves onto islands, parkways or common areas.
- Alley pickup is not available.
