

EGG

Location: Sensory Garden in Shaw Park

Dedicated Tuesday, May 31, 2011, the Sensory Garden is adjacent to the Shaw Park Inclusion Playground. The garden enhances the experience of visitors through the use of plant and art material chosen for their color, scent, texture, movement and sound. This sensory experience is what makes CCF's contribution of *Egg* a perfect addition. Visitors are encouraged to touch *Egg* by local artist, Carol Fleming. CCF's contribution of the original, colorful egg adds both a visual and textural stimulation for the entrance to the Shaw Park Sensory Garden. This project was completed in 2010.

CLAYTON COMMUNITY FOUNDATION

Ours to build. Ours to share.
