

MONETA GARDEN

Location: Shaw Park

Also known as the Shaw Park Nature Garden, the Moneta Garden is an oasis connected to the Recreational Trail. The garden features plants native to Missouri and a soft path that winds through the garden encouraging quiet reflection. Sculptural elements encourage contemplation in a natural setting. The Moneta Garden also features artwork on loan from St. Louis County. We are so pleased to include a work by world-renowned artist and Clayton High School graduate, Ernest Trova. Geometric Abstract #2 is a wonderful addition to the park. This project was made possible through a generous gift from the Moneta Group Charitable Foundation. The project was completed in 2014.
