

SHAW PARK RECREATIONAL TRAIL

Location: Shaw Park

In the 2009 Clayton community survey, 55% of residents indicated trails were their number-one priority. Another citizen survey found that 71% of respondents viewed trails to be the most important improvement needed in City parks. After nearly two years of fundraising and design work, the City and its partners began the transformative project with a groundbreaking ceremony in 2012.

The construction of the trail and its enhancements was made possible through the fund raising efforts of the Clayton Century Foundation (CCF). The gifts made by Enterprise Holdings, Caleres Cares Charitable Trust, Commerce Bancshares Foundation, the William T. Kemper Foundation, Moneta Group and a grant from the Department of Natural Resources helped to reshape Shaw Park and its Recreational Trail. The project was completed in 2013.
