

CLAYTON CENTURY FOUNDATION
enriching our community

GENERATIONS PROJECT

Members of the Clayton Community are honoring their home town and their family name through meaningful contributions to the Clayton Century Foundation.

NEWMAN GREEN

Newman Green is located at Mark Twain Circle and connects Clayton High School, Shaw Park and the Parkside neighborhood. This gift transforms a grassy lawn into a gathering place for years to come.

OAK KNOLL GARDEN

The Four-legged Friends Garden was created in Oak Knoll Park through a contribution from the Newmark family.

SHAW PARK GARDEN

Near the Sensory Garden in Shaw Park is now the Follman Family Plaza. A gift to the Foundation created this scenic seating area and water station for families to enjoy.
